

## Walk No 6: Hag Farm — Burley Woodhead

*This walk is approximately 4 miles.*

Starting from Kirklands (1) move along Main Street in the direction of the village centre. Carry on past Burley Lane and Derry Hill. As the road bends left, turn right on Bleach Mill Lane.

Follow Bleach Mill Lane as far as Bleach Mill House (2). Cross the stile and walk straight forward, past the multi arrowed signpost to a wooden gate.

Continue forward to Hag Farm (3) walking along the side of the cow byre to a gate and stile (care is required at this stage as it is usually very muddy). Through the stile and across a field, wall on left, to a metal gate. The footpath runs between two hedges with a rather handsome property on your right and arrives at a further gate and into a paved driveway (4).

Turn left and walk up the drive to meet the Burley Woodhead Road (5), turn right for about 20 yards to a stone stile (6) on the opposite of the road. Cross the stile into a field and

bearing left climb the field to a stile at the junction of two stone walls, indicated by a waymark.

Continue forward climbing upwards quite steeply to stone steps and a metal gate at the left hand side of a pair of cottages, this leads into an unmade walled lane (Green Lane) (7).

Turn right climbing until the lane bends to the left where you will come to a metal gate (8) with a farm on your left and a pump house on your right. Through the gate and immediately turn right on a footpath (excellent views across the Wharfe valley). Follow this path along the edge of the moor descending to a gate by the side of a private dwelling formerly the Burley Woodhead School (9) passing through the gate brings you back onto the Burley

Woodhead Road.

Turn right at this point walking uphill along the footpath for about 60 yards at which point a sign marked footpath (10) to Menston appears on the left-hand side of the road. Take this path which is in fact a narrow lane leading to a large house, just before the house is a way marked stile on the right. Cross the stile and continue forward through a gap in a hedge to a wall also with a way marked stile over the stile to a fence with way mark, finally to a metal gate leading into a paved lane.

Immediately across the lane is a further metal gate this takes you into a footpath which goes forward to Hag Farm and then onto Bleachmill Lane, Moor Lane and Main Street.
